SOY CANDLES & TEA LIGHT WORKSHOP

Ages 12+ | Corina Piller

Mon, April 7

In this one day workshop we will make a 7.6 oz. Soy wax candle with an assortment of high quality phthalate free oils to choose from. You will pour (1) amber glass jar candle and 4 tealights. An assortment of crystal chips, biodegradable glitter, and wax melt embeds will be provided to decorate your tea light candles. Each event includes all tools needed for your candle making experience. A wax melter is provided to pre-melt the soy wax, which is then poured into your own pour pitcher to blend with a choice of phthalate free fragrance oils to create your candle and tealights. Individual tea lights hold .6 oz. of wax and burn 4 hours each. Trade tealights you create with others in the group to leave with a variety of scents infused with each individual's creative expression. Great for the whole family!
